BINGO, BEATS & BEYOND

A CONCERT FOR YOUR KIDS!

Our talented & interactive hosting duos present our music bingo gameshow, suitable for all the family. This interactive show includes singing, dancing and lots of fun prizes and giveaways. It's bingo, but with a funky twist – we play songs that get the crowd moving (kids and adults alike!), and if you've got the song on your bingo card, cross it off!

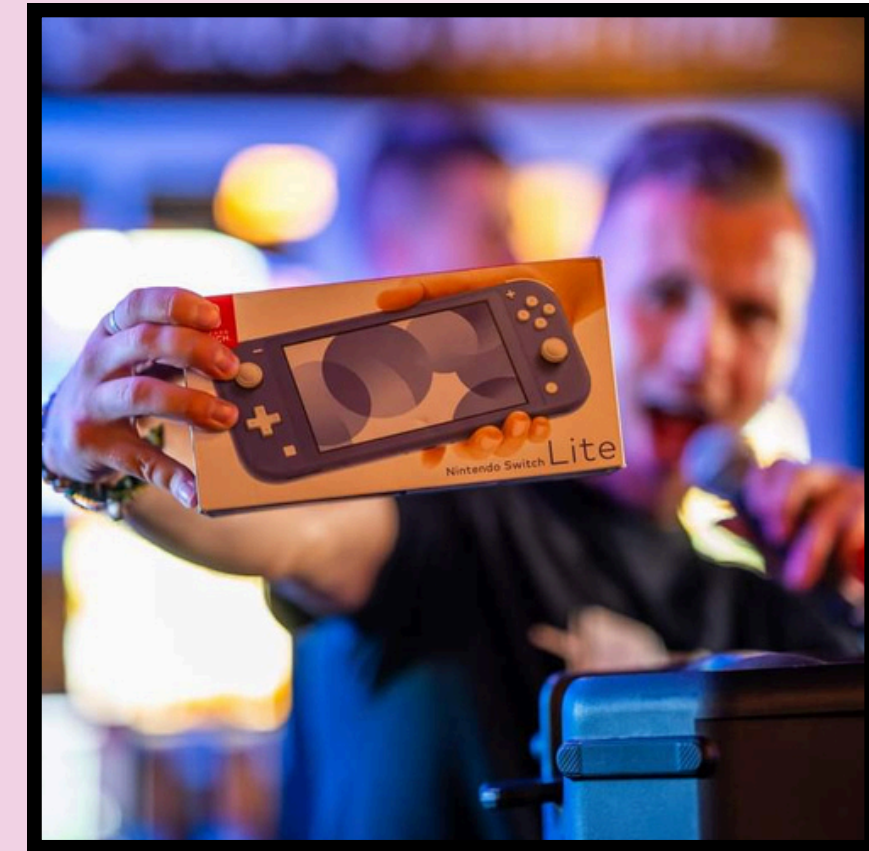

Not only is there giveaways for crossing off lines of your bingo card, but if you impress our hosts with your slick moves and singalong skills, you'll win some extra prizes – anything from the fun to the ridiculous!

WHY CHOOSE BPM EVENTS?

BPM Events was created by Abu Dhabi's biggest entertainment duo, 'Dylan & Dillon'. With over 10 years of international event experience, they have received consistent praise for creating unforgettable, engaging experiences for adults, children and everyone in-between. BPM have worked with some of the UAE's biggest companies, including Emirates Palace, GMOLx, Mubadala and Zayed Sports City.

Our recent family show at ACTIVE Al Maryah began in January 2024. In the shows that followed, attendance numbers increased from less than 50 people to almost 400 in April. Our family shows have also seen huge success in other venues, such as McCafferty's Wafi, Le Royal Meridien and Zayed Sports City.

The success of our nightlife events speaks for itself. 'Dylan & Dillon's Friday Night Takeaway' began at the popular Abu Dhabi venue, 'Easy Tiger', in January 2023 and has maintained a run of over 65 shows ever since.
